VICE GOV. DE CARLO L. UY, MBA

VG Oyo marks first 100 Days with major achievements in social services

By: Jan Flore Andrey Cagalitan & Cara Mae M. Fajardo

Focusing on his three legislative prime principles, namely: open, participatory, and empowering—providing more avenues where people can access social services, is one of Vice Governor De Carlo “Oyo” L. Uy’s major achievements in his first 100 days in office.

He celebrated his 100th day in office with the residents of Brgy. Mesaoy, New Corella on October 10, 2022 during the second run of “Tambag Legal,” one of his social services programs. This “Tambag Legal” program was initiated by the Vice Governor’s Office in partnership with Integrated Bar of the Philippines (IBP) Davao del Norte-Davao de Oro Chapter and St. Thomas More (STMS) College of Law. The program aims to provide assistance to residents through legal advice and consultation. The program was initially launched on September 15, 2022 with 8 IBP lawyers, 2 STMS lawyers, 42 STMS law students, and 448 residents at Brgy. Pagsabangan, Tagum City, where 450 participants graced the event. While 514 participants attended the program during its second run at Brgy. Mesaoy, New Corella with 4 IBP lawyers, 41 STMS law students, and 469 residents.

Apart from the “Tambag Legal” program, the Vice Governor has also strengthened the extension of social services through other programs such as the Vice Governor’s helpdesk and Helpline, Sakay Alalay: #LibrengSakayToOVP, Shelter Assistance Program, and the partnership with the City Government of Tagum for the Project CO Eye Program.

BM Mawe's first 100 days in the SP shows remarkable achievements

By: Florabelle C. Sagot and Fairysa Bianca C. Sagot

The first 100 days in office of Hon. Emmanuel "Mawe" G. Pamisaran as 2nd District Sangguniang Panlalawigan Member of the Province of Davao Del Norte is signified productive with vital achievements. Known to be "Kampeon sa Kooperatiba" in his hometown Panabo City where he served as City Councilor for three (3) consecutive terms, BM Mawe Pamisaran authored Provincial Ordinance No. 2022-010, amending Provincial Ordinance No. 99-005 to be known as the "Provincial Cooperative Development Council Ordinance of the Province of Davao del Norte". The said ordinance, which was approved on the 8th SP Regular Session last August 22, 2022, increased the budget allocation of the Council in the amount of One Million Pesos (Php 1,000,000.00) from then One Hundred Fifty Thousand Pesos (Php 150,000.00) in order to maximize and intensify the assistance and support of the Province to the cooperative development plans, programs and projects in accordance with the program of works and designs.

True to fulfilling his sworn duty as passionate legislator, BM Mawe also authored Provincial Ordinance No. 2022-011, "Institutionalizing the Provincial Livelihood Financing Assistance Programs in the Province of Davao del Norte" which was already approved on during the 15th SP Regular Session on October 10, 2022. This measure is in accordance with the mandate of the role of the Provincial Government to extend financing assistance to legitimate and qualified cooperatives, NGOs, CSOs, IP/Muslim Groups, MSMEs and individuals per approved project or program proposal of the applicant. With a very minimal interest rate, the ordinance is designed to strengthen linkages among the target beneficiaries as active partners in the pursuit of sound local and financial autonomy.

Moreover, notwithstanding the fact that the Committee on Agrarian Reform, Agriculture and Food is new to BM Mawe, the

latter authored the proposed ordinance "Institutionalizing the Provincial Agricultural and Fishery Council (PAFC) in the Province of Davao del Norte". As of this writing, the said measure is now subject for committee hearing and deliberation of the Sangguniang Panlalawigan. It aims to provide for One Million Pesos budget allocation in order to intensify the mobilization of the Provincial Agricultural and Fishery Council. This is also for the Province to fully support the agricultural and fisheries sectors and assist the implementation of national programs and projects.

It can also be recalled that on earlier date, BM Mawe delivered his privilege speech during the 8th Regular Session dated August 22, 2022 expressing his support to the plan of President BBM to venture on directly importing fertilizers from international producers and suppliers in order to reduce or lessen the cost of farm inputs of our duly accredited farmers' cooperatives and associations. BM Mawe accentuated that it is high-time for the Provincial Government to directly import from international suppliers so that the prices of fertilizers and other farm inputs may be negotiated at a lower cost which shall be retailed to the duly accredited farmers' cooperatives and associations.

In an interview, BM Mawe stressed "Rest assured na ipadayon gyud nako ang serbisyong may puso ug magbilin ako ug legasiya, sa kanunay ako maningkamot na mahimong tipik ug kabahin sa kalambuan sa atuang palanggang Probinsya."

By: Jane Ivy Cosmod-Magalona

Hon. Oyo Uy, DavNor's youngest elected Vice Governor

By: Cara Mae M. Fajardo & Jan Fhore Andrey Cagalitan

Let us continue to evolve and innovate para maging mas maayo pa ang atong pagserbisyo sa atoang katawhan sa Davao del Norte.

OYO UY
Vice-Governor of Davao del Norte
During the Soft Launching of the Vice Governor's Helpdesk on July 25, 2022 held at Legislative Hall Lobby, Provincial Government Center, Brgy. Mankilam, Tagum City, Davao del Norte.

Hon. De Carlo "Oyo" Uy makes a mark in the history of politics when he becomes the youngest Vice Governor elected in the Province of Davao del Norte. A natural born leader, his young age of 37 has never been a disadvantage. On the contrary, it became his edge against his competitors in the political arena. Born on January 12, 1985, he began his political career at the age of 22 when he became a City Councilor of Tagum. In the years 2010 to 2013, he secured the position of 1st City Councilor in the same city and it was during these years that his leadership became fully imminent. He was awarded regional winner in the prestigious search for The Outstanding Councilors of the Philippines (TOCP) 2012 by the Junior Chamber International Philippines, the Philippine Councilors League, and the Office of Sen. Edgardo J. Angara. The award came as a surprise to the young legislator, who was cited for serving as an exemplar of good governance, devotion to sworn duty, and as a shining example of true public service.

Politics has never been an alien concept to VG Oyo. His father is City Mayor Rey T. Uy, whose flourishing political career began over three decades ago. He has accompanied his father and experienced first-hand what public service truly meant, which consists of serving the people with integrity, fidelity, and striving to continuously improve the competence and quality of work.

Apart from what he learned from his father, he humbly credits his success to his education. Although he started young, VG Oyo never took his position for granted. He recognizes the importance of education to nation-building and ensuring a future worth having for the children. Consequently, one of his main advocacies is education. This can be gleaned in his initiative to provide educational assistance and scholarships to the youth in partnership with the Department of Social Welfare and Development (DSWD) and Commission on Higher Education (CHED).

Aside from education, he champions for services and programs that support the overall well-being of the province's underprivileged and socially vulnerable sector, persons with disabilities, children with special needs, youths, elders, individuals in crisis situations, among others. He is a man who also has a vast participation in women's sector being inspired by his mother, Mrs. Alma Lim Uy, who is an active Chairperson of the Tagum City Council of Women Foundation, Incorporated. In all his projects, the visionary vice governor continues to promote an open, participatory, and empowering legislative department. In believing that these are the bedrocks that the progress of the province is built upon, he never ceases in raising the bar of public service higher and continuing to pursue genuine and lasting reforms. In aiming to have his 3-point principle take form, he pushes the passage of the ordinance on "Davao del Norte Center for Children with Special Needs" and "Freedom of Information Ordinance." He believes that carefully crafted and beneficial legislation will lead towards a progressive and prosperous province.

Having earned a Master's Degree in Business Administration at Ateneo de Davao University and having been constantly exposed to the business world, VG Oyo effortlessly infiltrated it. As the current President and CEO of Metro Gear Construction Corporation and Winterfell Ice Plant and Cold Storage, he comes from an environment that is driven by urgency to produce measurable results. This is manifested by the effective and efficient programs and activities implemented when he assumed his post.

A father to three lovely kids and a husband to Ms. Geanne Claire Mandanas Lu-Uy, the public's support in putting him into office is a testament to his exemplary and effective services to the province. Armed with his unconquerable fidelity to duty, he vows to make himself worthy of the trust and confidence bestowed upon him by his constituents.

SP teams up with Kuya Gob in crafting and finalizing ELA

By: Iris P. Temperatura

After all the efforts, time, energy and resources poured by both the co-equal branches in the Provincial Government of Davao del Norte, the Executive-Legislative Agenda (ELA) for Calendar Year (CY) 2023-2025 has been successfully perfected through consensus-building last October 06, 2022 at Seda Hotel, Davao City.

This momentous and memorable activity was graced with the presence of the Provincial Local Chief Executive, Governor Edwin “Kuya Gob” I. Jubahib, together with the Head of Legislative Department, Vice Governor De Carlo “Oyo” L. Uy, and all the equally brilliant and proactive legislators from the Sangguniang Panlalawigan. They were also joined with the Department of Interior and Local Government (DILG) Regional Director Alex C. Roldan and Provincial Director Jonathan J. Leybag as well as all the Provincial Government Department Heads along with their working staff.

The ELA CY 2023-2025 is a product of the meeting of minds of all the elected government officials, provincial departments and offices, and other stakeholders to formulate the vision, mission, development agenda, sectoral objectives and strategies, major programs/projects/activities (PPAs) with corresponding legislative action through participatory planning and integrated effort. As it highlights the thirteen (13)-point agenda of the Executive Department, it also accentuates the adoption of a consultative, open, participatory and empowering policy-making processes in the next three years for the betterment of the Dabaonon people.

Before its triumphant finalization, a three-day activity entitled “ELA Formulation” was actively participated by both the Executive and the Legislative Department last August 24-26, 2022 at the Bulwagan ng Karunungan, Government Center, Mankilam, Tagum City, Davao del Norte. On day one of the said activity, there was a lecture on the overview about ELA and Vision-Reality Gap Analysis which were discussed by their resource person from the United States Agency for International Development (USAID), Ms. Gemma Borreros. The identification/determination of PPAs transpired on day two. Then, on day three, they presented their final output.

Vice Governor Oyo Uy shared an inspiring message with regard to the formulation of ELA CY 2023-2025 and commended the collegiate effort of all who collaboratively worked for its perfection, to quote in toto: *“As a local government unit, we are mandated to develop a planning document that is mutually developed and agreed upon by both the executive and legislative departments of the LGU. This is pursuant to Section 106 of the Republic Act No. 7160, otherwise known as the Local Government Code of 1991. I, for one, believe that an essential component of the local government unit’s orderly success and sustained development is the alignment of the legislative and executive branches. Through the Executive-Legislative Agenda (ELA), we can ensure a unified plan in serving the people of Davao del Norte, as we outline the top priorities, programs, initiatives, activities, policies, and implementation strategies. I deem this matter paramount as we perform our mandate as public*

servants. For me, crafting a multi-dimensional and comprehensive plan is vital, for us to know the direction outlined by the executive and legislative departments—for the benefit of our province in the coming three years. With the recent success of our ELA Consensus-Building and Finalization, I trust that all of us here in the Capitol will do our best to serve our purpose of efficiently serving our people. As it is, cooperation among the LGU’s functionaries is a frequent characteristic of well-planned LGUs, a feature that is essential to successful administration. And as such, I believe that UNITY and COLLABORATION are keys to achieving more victories and accomplishments that will benefit our people. That’s why we should always promote stronger and efficient ties between our departments and offices here in the province, which, in extension, promotes the welfare of our people here in DavNor. Kudos again to our colleagues and fellow public servants from different departments for making the formulation of our very own ELA triumphant. I thank you for always giving your best in serving our people despite the different crises we are facing today. All we need now is to “walk the talk” and realize what we have planned. Likewise, the challenge now is staying true to our plans and collective efforts as public and civil servants. We may disagree in the process, but let us stay true to the promise we have made to the people of DavNor. On behalf of the 9th Sangguniang Panlalawigan ng Davao del Norte, I trust that our synergy and alliance will bear witness to the fulfillment of our people’s dreams. May God bless us all!”

Sakto, hapsay ug han-ay nga Plenaryo paningkamotan ni BM Tete So

By: April Joy Bascos and Jonathan Abenoja

Isip Chairperson sa Committee on Rules and Privileges sa Sangguniang Panlalawigan, paningkamotan ni BM Robert "Tete" So nga mamahimong sakto, hapsay ug han-ay ang iyang pagpadagan sa plenaryo. Iya usab nga gi-awhag ang tanang Miembro sa Sanggunian Panlalawigan sa pag-sagop ug pagsubay sa lagda sa Resolution No. 2022-409, entitled "Adopting the New Set of Internal Rules of Procedure of the Sangguniang Panlalawigan of Davao del Norte for Term 2022-2025" tungod kay kini nakabasi sa probisyon sa Republic Act No. 7160 o ang Local Government Code of 1991. Alang kaniya, gikinahanglan gayud sa usa ka Legislative Body nga adunay nakalatid nga mga lagda sa pagdumala aron mabatonan ang hapsay ug episyente nga pagpadagan sa opisyal na mga sesyon.

Nakasaad sa Section 3 sa nahisgotang resolusyon nga ang Chairperson sa Committee on Rules and Privileges awtomatiko nga mahimong Floor Leader. Busa, si BM So ang gitahasan sa pagtimon sa matag-plenaryo sulod ning kasamtangang SP Term 2022-2025 isip Floor Leader nga adunay mosunod nga mga katungdanan ug gimbuhaton: (1) pagkalendaryo sa tanang

balaodnon o sugyot nga mga lakang gikan sa mga Panggobyernong Agensya o sa Opisina sa Local Chief Executive o sa bisan kinsang interesadong partido, nga gisumite ug gihan-ay sa opisina sa Secretary to the Sanggunian; (2) manguna sa paghan-ay sa pagpadagan sa mga sesyon aron mamahimong hapsay ug mapadali kini; (3) ug mohatag sa pagtugot ngadto sa bisan kinsa nga miyembro sa Sanggunian nga gustong magpadayag sa iyang mga pulong suhestyon, rekomendasyon o koreksyon ug magpasa sa iyang nahimong balaodnon alang sa pag-aproba niini sa plenaryo.

Apan dili limitado ang mga gimbuhaton ni BM Tete sa sulod lang sa plenaryo. Sa iyang ikaduhang termino isip Board Member sa Unang Distrito sa Davao del Norte, nagpadayon ang iyang kakugi sa pagbuhat

sa mga naandang aktibidades ug proyekto alangsa iyang mga gingsakupan. Sakinatibukang nuebentay kwatro (94) ka mga barangay sa Distrito Uno, iyang ginapahigayon ang "Libreng Gupit" matag Araw ng Baranggay. Ang katawhan sa kabarangayan ang iyang napili nga benepisaryo ning maong proyekto kay layo man sa bisan asang establimento ug dungag gasto na para sa uban na mugawas sila sa ilang komunidad para lang magpaputol sa ilang buhok. Dungag pud na serbyisyo matag-adlaw ang "Libreng Lugaw" para barangay, ug nasayran nga padayon usab ang iyang opisina sa kapitolyo sa pagpaghatag ug mga materyales nga gamiton sa mga barangay hall ug pampublikong eskwelahan sama sa mga galon sa pintura, monobloc chairs, tarpaulin ug uban pa.
