Green Procurement Terms and Conditions

FOOD AND CATERING SERVICES

- The service supplier shall have it's own environmental policy, covering environmental procurement, the reduction of waste and energy consumption, and water saving.
- The service supplier shall provide local or regional products or products which are produced in a sustainable way (e.g. produced according to good agriculture practices, organic, avoiding overfishing, no products from threatened species) when offering food and beverages.
- For buffet, the supplier shall deliver catering service strictly without using any forms of single-use plastics like wrappings and sachets, plastic stirrers, PET plastic bottles, etc.
- The service supplier shall be responsible for the disposal of all solid wastes they generate during the provision of goods and services and shall ensure that the venue is waste free upon leaving.
- In cases where buffet service is not possible, the supplier shall deliver individual food packs using at least 50% biodegradable packing material with 2-in-1 spoon-fork. The use of styro foam as packing material is strictly not allowed. Food packing must bear the business name of the service supplier.
